Corrected Transmittal Letter and Certificate of Facsimile Transmission
 and Authorization to Charge Deposit Account

Mail Stop Appeal Brief-Patents
 Commissioner for Patents
 via facsimile transmission
 571-273-8300

This Corrected Transmittal Letter and Certificate of Facsimile Transmission and Authorization to Charge Deposit Account is being submitted to correct a typographic error in the transmittal letter faxed to the USPTO on 24 April 2007 via fax number 571-273-8300. In the 24 April 2007 transmittal letter, Appellants' Deposit Account No. was incorrectly identified as 143125. In fact, Appellants' Deposit Account No. is 134125 (Monsanto Company). Attached herewith is Appellants' Brief. There has been no new matter introduced or changes made to Appellants' brief since the 24 April 2007 submission.

The Commissioner has been authorized to charge fees in this application and is specifically authorized to charge the fee for filing a brief in support of this appeal to Monsanto Company's Deposit Account No. 134125. In the event that this paper is deemed not timely filed, Applicants hereby petition for an appropriate extension of time; the fee for this extension may be charged to Deposit Account No. 134125 along with any other additional fees which may be required with respect to this paper, and any overpayment should be credited to the same account.
